A View from the Terrace

DEAR RESIDENTS OF THE TERRACE

If we were asked to describe the general attitude of most of the E.T. residents today the word *contentment* would come up immediately. Most people would say that they are very happy that they are living here. Just to prove that point, may we encourage you to type in the Google bar: *Evergreen Terrace, Grimsby*. This will give you the beautiful Website of *Evergreen Terrace - a Christian sense of community*. There you can read the reasons several of the residents have given for why they are *very pleased* to call 275 Main St. E. Grimsby *home*. They feel that they *belong here because they are informed, involved and valued*. Remember how the choice of the 50 year roof over a cheaper alternative was explained in exact details and fully justified? There is no impression at all that the Board of Directors runs the E.T. operation or that the residents are simply informed of increases in the monthly fees. There have always been thorough explanations for any changes! It is also a very wise decision that 3 of the 9 BOD members must be residents and now we are privileged that the E.T. Property Manager, Dick Vermeer, and Mary, also live here. For a recent garage door problem we were so free to call him at home on a day that he is not in his office. There we discovered that he is a very capable handyman, that it was fun to fix that problem by ourselves and that there was no need to call-in outside contractors. After all, a nickel saved is still a nickel earned.

Let us never forget all the privileges many of us have in that we can use our *skills, hobbies and interests* to benefit those who need a helping hand, to repair what needs fixing. Most of us can say that we are so very grateful that we may have *so many reasons for living* at E.T. because here we have so many opportunities to still be active as seniors. We count our blessings and will always name our *faith, our family* and our *friends* as our most valuable gifts. We may not worry, because our Sovereign God is in control. He has been faithful to supply all our needs in the past and we trust Him completely for the future. The apostle Paul knew the secret of contentment: *"I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want"*

Phil.4:12-13. B.L

ET BOARD AND MANAGEMENT REPORT

Parking Garage Safety

A word of caution to all drivers in our basement parking garage. The posted speed limit is 5 Km. per Hour. We know that each one of you would like all others to obey the signs. So our advice and wish is to practice what we preach. Improve the world by starting yourself.

Welcome to Evergreen Terrace

A hearty welcome to Evergreen Terrace is extended to Willem and Linda Termorshuizen who recently moved into 402. Also a warm welcome to Maynard & Susan Smid who moved into suite 420. May you soon feel at home and make many friends in your new community. Wishing you God's richest blessings for the future in your new home.

Welcome Back

A hearty welcome back to our custodian John Kralt, returning to us from an extended sick leave, having had knee replacement surgery. We wish John God's blessings for a full recovery.

FROM THE RESIDENTS COUNCIL.

The Residents Council met on Thursday June 20, five members present, 1 member absent with notice. We ran quickly through the routine business and talked about "How good it is to live at Evergreen Terrace"

A special THANK YOU goes out to Tena Hoiting, who has served in the Social Activity Committee for more than 10 years. Thank you Tena for an excellent job, well done!!! We had to change the plans for the BBQ because of rain. It was decided to go "inside", which turned out to be a great success.

Because we were inside, we could not enjoy the gardens around Evergreen, which are, as usual, in great condition. THANK YOU gardeners. You all worked so hard to have it ready before the BBQ, and we'll enjoy the gardens for the rest of the season.

The clean up after the BBQ was done in record time, many hands make light work.

The Residents Council is very THANKFULL for all the people who give so freely of their time, and makes this community the great place it is. THANK YOU ALL.

R.C. will take a little break, wishing everybody a SAVE, SUNNY, SUMMER. A.P.

Thys and Donna Piening, 205. We moved here in May. Evergreen Terrace is a beautiful place - people are friendly. Thys is a well known artist. One grandson is a doctor, for which he is happy. Donna was a mother and later a PSW. She has one grandson who drives heavy equipment in construction and she is happy for his responsibilities. Donna has the gift of being an encourager (Romans 12)

It was "eat in" only at the burger palace in our front dining room.

Because of space limitation, the new Library Book list is on the first bookcase in the Willow Room.
