From the EDITOR:

This is an **interim edition** of the newsletter, because there will be **no newsletter on May 1st**. This interim newsletter includes the May birthdays and calendar.

LAUGHTER

"A merry heart doeth good like a medicine."

Everything I need to know about life, I learned from Noah's Ark:

- 1) Don't miss the boat.
- 2) Remember that we are all in the same boat.
- 3) Plan ahead. It wasn't raining when Noah built the Ark.
- 4) Stay fit. When you are 600 years old, someone may ask you to do something really big.
- 5) Don't listen to critics. Just get on with the job that needs to be done.
- 6) Build your future on high ground.
- 7) For safety's sake, travel in pairs.
- 8) Speed isn't always an advantage. The snails were on board with the cheetahs.
- 9) When you're stressed, float for awhile.
- 10) Remember, the Ark was built by amateurs; the Titanic by professionals.
- 11) No matter the storm, when you are with God, there's always a rainbow.

PHOTO DIRECTORY:

We are looking for a volunteer photographer who would be willing to take photos of new residents (and periodically re-takes of residents) for the Evergreen Photo Directory. These photos would then need to be resized and edited to fit the format of the insert cards for the Photo Directory. If interested, please contact the Residents' Council. We thank you for considering taking on this role of photography and photo editing.

WORDS of WISDOM

God uses broken things. It takes broken soil to produce a crop, broken clouds to give rain, broken grains to give bread, broken bread to give strength.
-Vance Havner
